Board Committee Highlights

- Highway 105:
 - Carline construction continues to progress. There are intermittent closures
 happening that will continue for the next 6 weeks. Please make sure to
 review ParentSquare posts or emails from camps hosted at MA for information
 on access to the school this summer.
 - The road in front of West campus should be completed by this summer. Once construction is finished, there will be two re-circulation loops (one in front and one in back) available for carline traffic. The intent is that by the time school returns in Fall 2024, we will be using both loops. Once a rendering is available from the county it will be posted on the MA website under the Parent Resources > Carline tab for parents to review the Phase 4 (final phase) of carline. Please continue to watch for any updates regarding carline to be posted on ParentSquare.

A School of Excellence Since 1996

Board of Directors,

Thank you for the opportunity to serve the board and Monument Academy for the upcoming school year and the many years to follow. This month, I will be doing the board report for the staff and looking to change the format that you receive information to provide a more detailed approach of what is happening at Monument Academy for the July report.

Executive Director

Mr. Gustafson and I met to talk about what the school is doing with S&P, who rates our bonds. It was a great meeting where we got to talk about the growth we have made over the last 12 months. A meeting with District 38 administration team was held to finalize details on the charter contract that has been in discussion for the last 6 months. I would like to thank Mrs. McClelland and Mr. Gustafson for all their hard work in getting the contract to this point. Conversations were also held to discuss the MoU with the Monument Police Department regarding the School Resource Officer. The making talking points were focused on updates to create greater collaboration in the future and the payment schedule to Monument Police Departmen. The board voted to approve replacing two HVAC units on the West Campus at last month's meeting. Those units have been ordered and the timeline for them to be on West Campus is early July. It is an exciting time to get ready for the upcoming school year and there is a lot going on.

West Campus

The administration team has been in full swing planning for the upcoming school year. The team has completed their schedule for next year with the adjusted changes of teachers that are in place. The team also collaborated with Mrs. Tina Leone to create the professional development calendar for next year. In collaboration with the East Campus, the Friday schedule has been created intentionally to support teachers in learning, provide time to work, and accomplish the requirements of the teacher.

The students completed their end of year assessments, and the next step is to dive into the data. This will help guide several directions the school will take. The first being an understanding of trends that have developed in a positive or a growth direction. Then understanding the reasoning for this turn of information and replicating it in other areas of instruction or finding interventions to change the direction. It was fun to see a packed campus for Field Day, the parking lots were full and there were parents and students on every part of the campus.

East Campus

We are excited to introduce our new principals for the upcoming school year, Mrs. Angela Duca as the Secondary Principal and Mrs. Jesse Davis as the Secondary Assistant Principal. The administration team is completing the final schedule for the upcoming school year. Once this process is complete, the next

A School of Excellence Since 1996

step is to run what is called the schedule wizard through Infinite Campus, this will take the created schedule and take the classes that the students requested to create their schedules and class rosters.

The administrative team will still have to go through all the schedules to make sure there are no duplicates and/or holes for the student. The team has been diving into the East Campus handbook to make some updates to be approved for the July board meeting. Some of the topics they have been discussing are uniform policy, attendance, discipline, and aligning the policies that should be the same at both campuses.

The highlights from the past month are plentiful but want to touch on a few of the events. First off, Monument Academy held our first graduation ceremony on the front lawn of the campus. There were 21 students who graduated, and it was a wonderful ceremony. Thank you to Mr. Ryan Graham and Mr. Trevor Kelso for their impactful speeches during the ceremony. We also received two wonderful speeches from our student body that exemplifies the top-notch education our students are receiving. The middle school celebrated the 8th graders completing the Core Knowledge scope and sequence, which was topped off with some fun events.

There was a major discipline event at the end of the school year, which involved a foreign substance being brought onto campus and distributed to other students. Law enforcement was involved in the process and the administration also dealt out discipline for the situation that occurred.

It will be exciting to see the next steps the East Campus will take under the direction of Angela Duca.

Enrollment

The start of June has been a changing of the guard with Mrs. Laura Polen transitioning into the Finance Director role and training Mrs. Lena Gross to take on the full role of registrar of both campuses. As the enrollment numbers are reported, please remember that they are fluid during the summer. We have families moving in and out of the area, still making decisions on schooling, and waitlists at schools where spots open and close. Here are the confirmed numbers right now.

Elementary FTE - 550.44

Middle School FTE - 411

High School FTE - 142

There are still some families that have the intention to enroll listed in our system, which creates the possibility for higher numbers. We do not count these students until we have the entire enrollment process completed. As some families don't follow through with their intents.

A School of Excellence Since 1996

Marketing

Marketing's project this summer to clean and update our school website. The goal is to update the information that is provided with the images, simplify the information that is presented, and make it user friendly for our families. This will be a big project, but we are looking forward to completing this as quickly as possible.

Mrs. Kendra Kuhlman has also created systems to work with our administration team and communication with teachers to celebrate all the great things that are going on at Monument Academy. I can't wait for our families to see all the great things that are happening at Monument Academy.

There was an issue that occurred with ParentSquare and having all the messages erased at the end of the school year. This was not something that was planned and Mrs. Kuhlman is working with the company to remedy the situation that occurred.

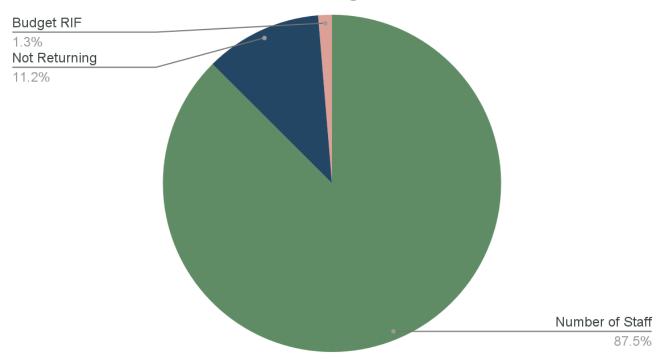

Respectfully,

Collin Vinchattle

Executive Director
